FAQs

- **What is the weather like in Egypt?**

Nov/Dec is mostly pleasant in this region. Pack summer wear with some warm clothes for evenings.

- **Is vegetarian food available in Egypt ?**

Egypt offers many vegetarian options. Indian food is also readily available in many places. Koshary, the National Dish of Egypt, is also vegetarian.

- **What if I don't want to visit any particular monument or participate in any activity ?**

All group tours will proceed as planned, but you may choose to stay back at any time.

- **Can I opt for a single room?**

Yes. Please contact us for single room pricing.

- **Is it safe to travel to Egypt ?**

Tourism in Egypt is on the rise, and there is no indication that Egypt is any way unsafe for travel.

- **Why tickets are not included?**

Simple - **we want you to pay only for what you actually want to see**. In our experience, many travellers want to see only some monuments from inside and some they just want to see from outside. If we add the ticket price in the package, you will not have an option but to pay for everything, but by not including it, you can pick and choose what you want to see and what you don't. In any case you **don't** have to stand in any queue.

- A valid passport and eligibility to apply for visas are required.
